Dear Examiner Chankong:

1. I, Lee A. Hollaar, declare as follows:
2. I am the Lee A. Hollaar who provided a prior Declaration in this matter, signed 10/11/06.
3. I would like to clarify my statement in my prior Declaration so as to make it clear that when I was referring to "the present invention" in paragraph 21, I was referring in that paragraph to the invention recited in amended claims 112 and 113, and not that of any other claim.
4. Finally, I would like to clarify my statement in my prior Declaration that "I have been retained to give my opinion..." so as to make it clear that, while consulting rates have been and are being charged, I have never had a vested interest in the outcome of this patent application or any related matter.
